Re: Minutes of Assessment Appeal Hearings of March 5, 2014

Hearings commenced at 7:00 PM

Members present: Charles Jackson, Joel Nadel and John Rachek

The following appeals were heard:

Appellant	Property
Frank Pelkey	8 Aborn Private Rd.
Jackie Piechowski (King)	10 Aborn Private Rd.
Kurt Ainsworth & Kian Jacobs	14 Aborn Private Rd.
Joseph & Claire Cataldi	18 Aborn Rd.

Following the hearings the members discussed the appeals presented. The primary issue with regard to all 4 appeals was that they no longer had lake access at Chrystal Lake due to a sand bar forming. We felt we needed to get more information on the various classes used in the valuation around the lake. In addition we further discussed the properties heard at the March 3<sup>rd</sup> hearings.

The meeting was adjourned at 9:10 PM.
